Address : # Street : _____

City or Town : _____

Zip Code: _____

Email : _____

Cell Phone # : _____

Yes, I want to subscribe to the community solar project in my area!

Please check with my utility, NYSEG NATIONAL GRID
to determine my annual power usage and allow Solar Park Energy to convert
me to 100% renewable solar energy from the community solar park in my area.
SolarPark Energy will contact me by email or phone call within the next few
days to get my Utility bill Account # and start the conversion to 10%
GUARANTEED savings with clean, environmentally friendly solar power.
